

## **NCRFU Match Video Policy**

1. Home teams are responsible for videotaping the match and uploading a copy to the secure NCRFU video account by 11:59 pm local time on the Tuesday immediately following the match. Teams posting match video beyond that deadline will face a \$50 per day fine imposed by the Competitions Committee. In addition, the home team must provide match video to the Referee Manager, if requested, by Tuesday.
2. Home teams must follow the Match Video Protocol as listed below:
  - a. Video should run consistently throughout the course of the game, including kicks. Video should continue running during stoppage of play, excluding half-time.
  - b. Video frame should be wide to ensure the play remains within the frame.
